

Feroz M. Faiz

Toronto, ON | feroz@hotmail.ca | [linkedin.com/in/feroz-faiz](https://www.linkedin.com/in/feroz-faiz) | github.com/nartix/feroz | ferozfaiz.com

EDUCATION

School of Software Design and Data Science, Seneca College
Honours Diploma in Computer Programming (CPP), GPA: 3.8/4

Toronto, ON
Sept 2016 - 2018

PORTFOLIO PROJECTS – [FEROZFAIZ.COM](https://ferozfaiz.com)

ferozfaiz.com

- **Technologies Used:** Django 5, HTMX, AlpineJS, PostgreSQL, Redis, Kubernetes, RabbitMQ/Celery, Kafka, ElasticSearch, Tiptap, Hashicorp Vault, TailwindCSS, ViteJS
- This project features an authentication system, integrating username/password logins with OAuth 2 support for Google and Microsoft, ensuring secure and seamless user access.

[ReactJS.ferozfaiz.com](https://reactjs.ferozfaiz.com)

- **Technologies Used:** ReactJS 18.2, Redux, SASS Bootstrap 5, Kubernetes what is the best analytic for my website

[Angular.ferozfaiz.com](https://angular.ferozfaiz.com)

- **Technologies Used:** Angular 16.2, NodeJS, SASS Bootstrap 5, Kubernetes

[ExpressJS.ferozfaiz.com](https://expressjs.ferozfaiz.com)

- **Technologies Used:** ExpressJS 4.18, NodeJS, PostgreSQL, Kubernetes

[@nartix/tiptap-inline-code-highlight](https://nartix.tiptap-inline-code-highlight)

- This is an NPM package I created for the Tiptap Editor. It's a ProseMirror extension that highlights inline codes.

CONTINUOUS INTEGRATION/CONTINUOUS DEPLOYMENT (CI/CD) PIPELINE

- I built my projects with Docker. I automated the build and subsequent pushing of Docker images to AWS ECR using GitHub Actions. I also automated the setup of the RKE2 Kubernetes cluster using Ansible.

SKILLS/ABILITIES/TECHNOLOGIES

- **Programming Languages:** Python, JavaScript, TypeScript, C/C++, CSS/SASS, HTML, SQL, Bash
- **Frameworks:** ReactJS, Redux, AngularJS, ExpressJS, Django/Celery, HTMX, AlpineJS, Django Rest Framework, Bootstrap, TailwindCSS, Tiptap
- **DevOps & Databases:** NodeJS, Kubernetes, Docker, Git, GitHub Action, Linux, Ubuntu, Ansible, PostgreSQL, MongoDB, MySQL, AWS, Redis, RabbitMQ, Kafka, ElasticSearch
- **Tools:** VS Code, Hashicorp Vault

EXPERIENCE

CONDOMINIUM SECURITY GUARD – VP PROTECTION INC.

Jul 2016 - Present

- Ensured a secure environment through vigilant monitoring of security cameras and access management.
- Played a key role in community safety by promptly assisting residents, efficiently handling package deliveries, addressing inquiries, and effectively managing emergency situations.
- Contributed to team efforts in resolving equipment issues, demonstrating strong collaboration and problem-solving skills.

NEWSPAPER CARRIER – KENDREW DISTRIBUTION

2014 - 2016

- Managed timely delivery of newspapers to over 150 households daily, demonstrating reliability and punctuality.
- Excelled in customer service by ensuring accurate and on-time delivery, fostering positive customer relationships.
- Optimized delivery routes for efficiency, showcasing strong planning and time management abilities.
